Our elegant, die struck lapel pin features a highly polished 1/10 10K gold-filled precious metal finish and its appearance symbolizes a high perceived value. The lapel pin comes with a very strong, two-piece magnet that allows you to wear it on any type of material without poking a hole through your clothing. Comes in gift box shown at left.

The pendant for the ladies has the same high quality appearance as the lapel pin and includes an 18" gold filled, rope link necklace. Comes in the attractive, black velvet gift box, shown at right.
