

Pin and Pendant Order Form

This elegant, die struck lapel pin features a highly polished 1/10 10K gold-filled precious metal finish and its appearance symbolizes a high perceived value. The lapel pin comes with a very strong, two-piece magnet that allows you to wear it on any type of material without poking a hole through your clothing.

The ladies pendant has the same high quality appearance as the lapel pin and includes an 18" gold filled, rope link necklace.

Both items come in an attractive, black velvet gift box, shown at left.
